

KL

**KATIE LOWERY**

STUDENT AT MAHS

## OBJECTIVE

---

I'm a junior in high school and am interested in STEM fields, specifically biomedical engineering.

## SKILLS

---

- HTML
- CSS
- UX Design
- Petting dogs
- Troubleshooting
- Organization

## WHY I'M COOL

---

I'm not, but please pick me anyways.

## EXPERIENCE

---

I have taken Web Design (H) and am currently enrolled in Programming & Logic I (H). This is my second year in the Dev.Catalyst competition, and I won in the novice web design competition last year.

I have over 20,000 points on the website Treehouse and am a hardworking student with a 4.0 GPA.

## ORGANIZATIONS AND VOLUNTEER WORK

---

I am a member of National Honor Society and try to be as involved in their volunteer opportunities as much as possible. I also put my dog petting expertise to good use by volunteering at the local Humane Society.
